

Sample Itinerary for Overnight Camp @ Singapore Zoo (School Groups)

DURATION : 2D1N
PARTICIPANTS : 40 – 120 participants

CAMP PROGRAMME

Day 1

TIME	ACTIVITY
1.00pm	Arrival and Briefing
1.15pm	Let's Break The Ice!
1.30pm	Enrichment Talk: Body Coverings <i>Animals have different body coverings and they serve different functions. Touch and feel the body coverings of a tiger, porcupine, turtle, crocodile, pangolin and many more animal specimens.</i>
2.30pm	Behind-the-Scenes: Spineless Wonders This tour takes you to the breeding complex of Fragile Forest. Discover how we breed and maintain butterflies, scorpions, stick insects, and other invertebrates for display. Get to know the animals, pet a stick insect and a hissing cockroach (if you dare!). <i>(For more information about our other Behind-the-Scenes Tours, please click here)</i>
4.00 pm	Tea Break
4.15pm	Let's Pitch Our Tents!
5.00pm	Singing in the Showers
6.30pm	Dinner
7.30pm	Enrichment Talk: Wonders of the Night Critters How do animals see at night despite it being so dark? Step into the world

Wildlife Reserves Singapore Group

of nocturnal animals and discover how they have developed keen senses just so that they can survive under the cover of darkness.

- 8.00pm **Proceed to Night Safari**
- 8.30pm **Creatures of the Night Show**
An entertaining show that not only exhibit nocturnal animal's natural behaviours, but also enlightens the guests on conservation issues.
- 9.15pm **Tram Ride around Night Safari**
Tour the world's first Night Safari on a tram. You will realize that the night does have a thousand eyes. Soak in the ambience of rainforest at night and admire the nocturnal animals at their most active.
- 10.00pm **Stroll to Singapore Zoo**
- 10.30pm **Supper and Wash Up**
- 11.00pm **Sleep with the Beastzzz...**

Day 2

TIME	ACTIVITY
7.00am	Rise and Shine
8.00am	Breakfast
9.00am	Behind-the-Scenes: Encounter of the Scaly Kind Meet an impressive python and other scaly reptilians. Come and find out how sharp the teeth of a snake, crocodile and Komodo dragon are. Discover the difference between a tortoise and a turtle and their adaptations to allow them to adapt to different lifestyles.
10.30am	Interdisciplinary Trail
12.00pm	Lunch
1.00pm	Debrief and End of Camp!

Camp Programme is subject to change depending on weather condition and availability of specimens required in any part of the camp programme. Should this be the case, the affected camp component will be replaced with an alternative component.
