

Bird Search @ Jurong Bird Park

With the help of the clues, figure out the name of the birds that can be found in the Bird Park.

Clue

1. I wear a black and white suit all the time and people call me "the little man in tuxedo".

2. I am pretty in pink and have long legs. I can stand on one leg when I am resting or sleeping.

3. I can see very well in the dark, much better than humans. I can turn my head to see what goes on behind my back. I love to eat rats and mice.

4. I am very colourful and I am noisy. I have a strong, hooked beak and a long tail too. I love to eat nuts and I use my powerful beak to crack them open.

5. I can be found near shores, lakes and seas. On my lower beak is a huge pouch which can expand. I use it as a 'net' to catch my favourite food - fish.

6. I can soar very high in the sky. Many birds are frightened of me because I eat smaller birds and other animals.

7. I cannot fly but I can run faster than a horse. I have a long neck to look out for danger and I lay the biggest egg in the world!
